

I
am
cat
enemy
of the
rat.
My name is
Mr. Tom. I will guard
your little home. My fur
is so mild you can
touch it and smile.
I have many lives.
It let me eat
of course, a
lot of pies. It
nice, of course
you know. But
I like to walk so
slow. I like to sleep
anywhere, any table
and any chair. It
can be empty shoe. I
don't care. I will it do.
I can also purr for you.
But everyday it's something
new. I even can't talk to
you. But it's good from your view.
Because I know a lot of secret
thing. But I can only smile and
sing. I have a good scent, and
all your sausages I can't open.
It's time to speak about my
hear. It's good, you don't
care. My cunning is high,
too. I can kill even you.
It's
time
to
say
that
I am
a
cat
the
enemy of the rat.
